INCOME TAX RETURN FILING

Income tax return, popularly called as ITR in India is a document you file with the Indian Income Tax Department reporting your income, your investments, profits and losses of your business and other deductions as well as details about your tax refund or tax liability.

WHAT ALL YOU GET

- Acknowledgement / Receipt of Tax Returns - at your doorstep
- Detailed 'Income Computation Chart' - at your doorstep
- Access to detailed 'Tax Savings Chart' prepared by our tax experts
- After-service call support anytime during working hours (Mon-Sat, 9am-7pm)

LEGAL AGREEMENTS DRAFTING

A Business Agreement is an agreement that is formed between two or more parties to settle the terms and conditions. Most agreements which are formed between any businesses or collaborations can be considered business agreements.

WHAT ALL YOU GET

- First draft within 24-36 hours
- Hand-drafted Legal Agreement written by our legal experts.
- Expert legal advice from our legal professionals
- After-service call support anytime during working hours (Mon-Sat, 9am-7pm)

GET ISO CERTIFIED

Providing high-quality products/services to consumers/customers is one of the most crucial factors that decide the long-term success of any organization in today's competitive business environment. And here comes the importance of getting your business ISO-certified.

WHAT ALL YOU GET

- ISO Registration Certificate within 2-3 days
- Expert advice from our compliance experts, for any of your ISO related queries
- After-service call support anytime during working hours (Mon-Sat, 9am-7pm)

GET GOVT. SUBSIDIES FOR YOUR BUSINESS

Majority of the Govt. sanctioned Subsidies in India are being provided to all those Manufacturing units/Industrial units who have either i) applied for sanctioning of a Term Loan against Machinery & allied Equipments Or ii) who have already applied for such Term Loan but full/part disbursement is pending from Bank's end (such Subsidy percentage ranges from 15% to 50% depending upon the work to be carried out by such unit).
